

POST FINANCE BECOMES ADF'S INVESTOR

Zug, Switzerland | November, 2017

Alternative Distribution Financing Ltd. ([ADF](#)) is pleased to announce the addition of Post Finance AG as an investor in its highly specialized financing vehicle.

A Post Finance specific solution has been put in place by ADF for financing of selected payables and receivables based programs for companies that are typically not covered by direct bank financing. Founded in 1906, Post Finance is the financial services unit of the Swiss Post. It is the fifth largest retail financial institution in Switzerland.

Kendall Stevens, CEO of GSCF Group commented: *"We are very happy with the addition of Post Finance to our ADF setup, which is in line with our multi-funder strategy. We are honored by their decision to work with us and truly believe that our complementary capabilities will allow us to approach the market with a really attractive offering".*
